20th May 2020

Dear Parent/Carer,

As we move towards the half term break, we are now planning our provision for the final half term of the school year.

I sent a letter and accompanying survey last week to parents/carers of students in Year 10 regarding the provision of face-to-face opportunities for students in school. Thank you to those parents/carers who have completed and returned the survey. It is not too late to submit any outstanding surveys and the sooner we receive these the more informed our planning will be.

In order to ensure that any face-to-face provision is provided with all necessary due regard to safety, we are not intending to rush through our planning and risk assessment. As such, it is unlikely that our face-to-face provision for year 10 students will start on 1st June 2020.

Once we are satisfied that all of the required safeguards are in place and our planning is complete we will share the operational details and expectations with parents/carers. By doing this, it is hoped that parents/carers will have the confidence to allow their child access to this provision. I will be in touch shortly with more detailed information. In the meantime, can I please ask that if any further information is asked of you that you respond promptly, therefore minimising any further delays.

For students in other year groups, it is our intention to incorporate daily on-line live lessons to supplement the work that is currently being sent home. We are currently developing the infrastructure to enable us to do this and I will be in touch with further details of how students can access this provision shortly.

In the meantime, I would like to thank you for your continued support during these difficult times.

Yours sincerely

Patrick Daley
Headteacher
