## **1. Principles and Values**

- At Huntcliff School we firmly believe that every child in our care has the right to feel safe, secure and happy in school or in off-site activities. We recognise the seriousness of all forms of bullying and the impact it can have on those involved. The ethos of our school fosters high expectations of outstanding behaviour. We recognise the value of talking about bullying and of equipping students with strategies for dealing with bullying should they encounter it.
- All members of the Governing Body, staff, students and parents should have a joint understanding of what bullying is and what the school's procedures are for responding to bullying. Information will be shared on the school website and through regular events.
- As a school we take bullying seriously. Students, staff and parents and anyone associated with the school should be assured that we do not tolerate bullying and that they will be supported when such behaviour is reported.
- This policy has been devised in line with the statutory regulations set out in Keeping Children Safe in Education, 2016. It links with other school policies practices and actions plans including:
  - Safeguarding and Child Protection
  - Behaviour for Success
  - Complaints Policy
  - Online Safety Policy
  - Curriculum Policy
  - Acceptable Use Policy
  - Whistleblower's Charter
  - Disability Equality Policy
  - Managing Aggressive Behaviour from Parents and Visitors Policy
- Bullying of staff by pupils, parents or colleagues is unacceptable. Where this occurs the Governors and Headteacher will follow the appropriate policy. Anyone feeling aggrieved will be encouraged to follow the procedures outlined in the Complaints and Whistleblowing Policies.

## **2. Definition of bullying**

- Bullying is "Behaviour by an individual or a group, repeated over time, that intentionally hurts another individual or group either physically or emotionally." (DfE Preventing and Tackling Bullying, 2017)
- Bullying can be direct or indirect: -
  - Physical – kicking, hitting, taking belongings
  - Verbal – name calling, taunting, mocking, moderate/severe banter, making offensive comments
  - Non-Verbal – gestures, producing offensive graffiti
  - Psychological – deliberately excluding people from groups, threats.
- This includes the same inappropriate harmful behaviours expressed via digital devices (sometimes known as cyber bullying). Examples could be the sending of inappropriate messages by phone, text, Instant Messenger, through websites, social media sites and apps, and sending offensive or degrading imagery by mobile phones or via the internet. (For further information on youth produced imagery see the Online Safety Policy).
- Bullying behaviour is deliberately hurtful and ongoing. (It is not the same as random, unprovoked aggressive acts.) it is unequal and difficult to counteract by the person being bullied as it involves

a power imbalance. The imbalance of power can manifest itself in several ways: -

- Physical – size of people involved, number of people involved
- Psychological – knowing what upsets someone and deliberately doing it
- Socially – deliberately isolating someone

It can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or online.

- Low level disruption, offensive language, banter and horseplay will be challenged. Where this occurs clear expectations of behaviour will be set to prevent negative behaviours escalating.

### 3. Forms of bullying

- Bullying can happen to anyone. This policy covers all types of bullying including: -
  - Bullying relating to **Race and Culture** – derogatory assumptions or generalisations about colour of skin, accent or the way they talk, ethnic grouping, references to terrorism, dress etc.
  - Bullying relating to **Religion** – derogatory assumptions or generalisations about religion, religious taunts and intolerance.
  - Bullying relating to **Disability** – derogatory assumptions or generalisations about a young person's disability.
  - Bullying relating to **Sexual Issues** – unwanted physical contact or sexually abusive comments etc.
  - Bullying relating to **Sexual orientation** – Homophobic / LGBTQ+ - ridicule, gestures, malicious warning others about a person, put downs, insults etc.
  - Bullying relating to **Perceived Differences** – the way someone looks, talks etc.
  - Bullying relating to **Special Educational Needs** – learning difficulties or being gifted / talented
  - Bullied because they are a **Child in Care or Adopted**
  - Bullied because they are a **Young Carer**
  - Bullied because of **other** reasons i.e. jealousy, friendships
- We are a TELLING school. We encourage and support all members of our school community to report bullying. Students may not be aware that they are being bullied due to their age, level of special educational need or vulnerability. It is the responsibility of the school community to be vigilant and ensure that all our students feel and are safe.

### 4. Why is it important to respond to bullying?

- Bullying hurts. No one deserves to suffer from bullying. Everybody has the right to be treated with respect. Students and staff who are bullying need to learn different ways of behaving. The school will take necessary steps to assist this change in behaviour including disciplinary action where required.
- A proactive approach to identify and act upon potential signs of bullying will help in dealing with issues prior to them being formally raised. The signs and behaviours listed below could indicate other problems, but bullying should be considered a possibility and should be investigated. Other signs may be present which are not mentioned here: -
  - Frightened of walking to and from school

- Does not want to go to school by public/school transport
- Changes their school routine
- Begins to truant
- Becomes withdrawn, anxious or lacking in confidence
- Cries themselves to sleep at night
- Has nightmares
- Feels ill in the morning
- School results begin to drop
- Has possessions which are damaged or go missing
- Comes home starving
- Frightened to say what is wrong
- Is afraid to use the internet or mobile phone
- Is nervous and jumpy when a cyber message is received

## **5. Anti-Bullying Education in the Curriculum**

- At Huntcliff School we use a variety of methods to support students in preventing and understanding the consequences of bullying: -
  - PHSE and Citizenship content included in half-termly step-up days.
  - Spiritual, Moral, Social and Cultural curriculum
  - School vision and assembly themes
  - House and year group assemblies
  - Anti-bullying week
  - Safer Internet Day
  - E-Safety lessons
  - Friendship fallouts and restorative practice small group intervention
  - School awards (e.g. Weekly Stars for Citizenship)
  - Outside speakers and performers.
- The anti-bullying coordinator is responsible for initiating and developing (with other colleagues) an anti-bullying programme as part of the curriculum. Other appropriate staff are responsible for delivering the anti-bullying materials to members of the school community as part of a planned programme of study.

## **6. Student Voice**

- Students are involved in the prevention of bullying as and when appropriate. This includes: -
  - Ensuring that their peers know how to express worries and anxieties about bullying
  - Developing a student version of the anti-bullying policy
  - Publicising the details of helplines, websites and report buttons
  - Supporting each other via the peer mentor scheme
- Students are also consulted through in-school questionnaires, student voice and the Adolescent Lifestyle Survey.

## **7. Anti-Bullying Procedures**

### **Parents:**

- If parents suspect their child is being bullied they should contact the school. Parents should be prepared to talk about the signs and symptoms that they have observed and any suspicions they have about those carrying out the bullying.
- Parents must leave the initial investigation to the school. Any attempt to resolve the issue themselves is likely to make the matter worse
- Parents should encourage their child to talk to an appropriate member of staff in the first instance, or a student trained in anti-bullying such as a peer mentor.
- Further information can be found on the school website (Parents section, Safeguarding Information)

### **Students:**

- If a student thinks they are being bullied they must tell an adult that they trust (parent, member of staff). They must be able to explain what form the bullying is taking and how it affects them.
- Students who witness bullying or an incident which they feel may be bullying must tell an adult, parent, PSO or other member of staff.

### **Staff:**

- If bullying is reported to a member of staff, they will record the details as presented to them and pass these on to the relevant PSO who will record on CPOMS. Due to the Child Protection policy, no promise of confidentiality can be given.
- PSOs will complete the Checklist for Managing a Bullying Incident (see Appendix 1) and store this in the Anti-Bullying file. Meeting notes and agreed outcomes will be discussed with the anti-bullying lead and Senior Leadership Team as appropriate.
- During the investigations care must be promoted for the student who perceives themselves as being bullied as well as the alleged student showing bullying behaviour.
- Time out / reflection time may be used if deemed appropriate during the investigation.
- Parents should be informed and will be asked to come in to a meeting to discuss the problem as part of the investigation.
- Consequences may be applied where bullying is identified.

## **8. Persistent Bullying**

- If a student continues to inform that they are being bullied they will be provided with a log book / diary to record this. For younger children or those with special educational needs and/or disabilities support will be given.
- Staff and Governors will decide next steps for students who persist in bullying behaviours in line with other school policies and plans including the school's Behaviour for Success Policy.

## **9. Students who have experienced bullying behaviour will be:**

- Given an immediate opportunity to discuss the experience with an adult whom they feel safe with and whom they find easy to talk to.
- Offered reassurance to ensure that the student feels safe again
- Consulted on a program to help build up their self-esteem, confidence and resilience.

- Referred to a buddy or peer mentor if appropriate
- Referred to a counsellor if appropriate
- Offered continuous advice and support for their parents.
- Be informed about the outcome of the investigation into their concerns
- Referred to Children's Services where appropriate (e.g. where there are safeguarding concerns)

#### **10. Students who have engaged in bullying behaviour will be;**

- Given an opportunity to discuss what happened with an adult and explain why they became involved.
- Offered time to help them reflect on their behaviour and understand the harm they have caused
- Consulted on a program to develop their social and emotional skills and positive behavioural strategies
- Given time to learn the steps they need to take to repair the harm they have caused and ensure they can make a choice to avoid bullying behaviour in the future
- Informed that their parents/carers will be involved to help change the attitude and behaviour of the student
- Referred to other agencies (if necessary) to support a change in behaviour.
- Referred to a counsellor (if necessary)
- Invited to attend a mediation (restorative practice) meeting with the student who experienced the bullying to resolve issues and prevent a reoccurrence.

Changing the attitude and behaviour of students who engage in bullying behaviour will be part of the positive procedures used by the school. However the school recognises that consequences will also have to be used with students who exhibit this form of behaviour (see Behaviour for Success policy)

#### **11. Complaints**

If a parent or carer is dissatisfied with the response made by the school following a reported incident of bullying, s/he may make a complaint in accordance with the School's Complaints Policy.

#### **12. Equal Opportunities**
