July 2019

Dear Parent/Carer

CHILDREN'S UNIVERSITY

During the last academic year all Y7 have been working with the Children's University and have all had a passport to complete. They participated in Enrichment as well as activities through the Careers day during Step up as well as a range of other opportunities. Five Y7 completed enough hours to graduate and the ceremony at North Lindsey College was fabulous! The hours will continue to build in Y8 also so we anticipate many more graduating next year.

The Children's University provides 5 to 14 year old children access to exciting and innovative CU Learning Activities and experiences usually outside of the normal school day. Normal activity times include breakfast, lunchtime, after school clubs, weekends, half terms and the summer holiday break. You can even take part whilst you are on holiday in one of many destination centres across the UK and abroad!

Through participation in fun, high quality learning experiences, the Children's University aims to grow inquisitive, confident, independent children and learners. It's about enjoyment, and a sense of achievement for all. Membership of the Children's University provides each child with access to a great range of quality assured learning provision.

Places to visit over the Summer where passports can be completed include:

Chessington Zoo – www.chessington.com

Colchester Zoo - www.colchester-zoo.com

Forestry Commission – www.gov.uk/government/organisations/forestry-commission

Legoland Windsor – www.legoland.co.uk

Museum of London – www.museumoflondon.org.uk

Sealife Aquariums – www.visitsealife.com

There are lots of activities for students to complete at these venues on our website under Parents:letters.

If any child has misplaced their passport, they can purchase a new one for £5.

Please do not hesitate to contact us if you have any questions.

Yours sincerely

Mrs P Hartley
Deputy Headteacher & Career Leader
