Dear Parent/Carer,

Re: GCSE Technology 2019

For the above GCSE there is a large design element and, to enable students to have all the correct equipment for this, we have put a pack together with everything they will need to complete the course. We have discussed this with the students and they are keen to purchase the technology pack which is suitable to be used in the exam, also included in the pack is a compact pocket revision guide for this subject.

The cost of the pack will be **£10** and will include:

- **Drawing template x 1**
- **Mechanical pencils x 2, Eraser x 1**
- **Pack of crayons x 12, Highlighters x 2**
- **Pencil sharpener x 1, Pencil case clear large**
- **Folding ruler 30cm x 1, Pack fine liners x 12 (4 colours)**
- **Compass x 1, Protractor x 1**

If you would like to order this please complete the section below following the link via Parentpay website: www.huntcliff.n-lincs.sch.uk and follow the link for 'Parents'. If you have any difficulty paying for this item please contact the Finance Office.

Yours faithfully,

Miss J Cheeseman
Class Teacher

I would like to order the GCSE Technology equipment pack and Pocket Revision Guide for my child:

Name of pupil Form

I confirm I have paid £10.00 by Parentpay (Equipment pack and Revision Guide)

Signed Parent/Carer
