23rd June 2020

Dear Parent/Carer,

Online Lessons

Thank you for your ongoing patience whilst we sort out some of the early teething problems that we are experiencing. The delivery of online lessons is new to us and I am confident that we will be able to sort out any issues quickly.

We are one of only a handful of schools in North Lincolnshire who are attempting to deliver online lessons on such a large scale. Staff are working very hard to ensure that online lessons are delivered to a high standard. To help them, please can I ask that parents and carers remind their child of the importance of following the online behaviour expectations (a copy is available to view on the school website).

Of key importance is the need to ensure that when in a lesson, microphones and cameras should be turned off unless instructed otherwise by the teacher. Also, only lesson related appropriate comments should be posted when using the conversation messaging facility. Any student who intentionally disrupts lessons will be removed from all future online lessons.

We will be reviewing the provision of online lessons at the end of this week and will then determine any further actions that need to be taken.

Yours sincerely

Patrick Daley
Headteacher
