What is NCS?

NCS has become the country's fastest growing youth movement with over 400,000 graduates to date. The once in a lifetime opportunity is a 4 week programme that helps young people build their confidence and gain new skills whilst having fun and giving back to their community – the best possible springboard for their future. Whether they're about to apply for university, or preparing to enter the working world, signing up to NCS is one of the best decisions a teenager can make.

Within North Lincolnshire NCS is led by Scunthorpe United Community Sport & Education Trust. In 2018 over 500 young people from North Lincolnshire took part in NCS with Scunthorpe United Trust.

NCS is split into 4 amazing phases;

PHASE 1 – ADVENTURE
A five-day, four-night residential based away from home with adrenaline fuelled activities such as canoeing, caving, rock climbing and abseiling. A chance to meet new people and enjoy some adventure, fun and freedom!

PHASE 2 – DISCOVERY
A further 5 days and four nights in a uni-style environment while taking part in graffiti and self-defence sessions, meeting inspirational people and boosting your CV or UCAS personal statement.

PHASE 3 – ACTION
Working in teams, you'll put your new skills into practice by designing and delivering a project to benefit your community. Use your talents to make something amazing!
