

How Religious Education at Huntcliff School prepares students for life in modern Britain

We aim for our students to:

Find out about British heritage, multiculturalism, tolerance and respect.

We provide an excellent opportunity for our students to engage with contemporary and contentious issues, developing social, cultural, political, philosophical and historical awareness.

In Religious Education lessons, our students learn to respect themselves and understand their own identity, to respect others and to understand their own and others' rights and responsibilities.

Learn about a range of different faiths to prepare them for “life in modern Britain.”

Including:

- Christianity
- Hinduism
- Buddhism
- Islam
- Sikhism
- Judaism

Embrace citizenship

We aim to equip our students with the knowledge and tolerance to deal with situations of conflict and controversy.

We help them understand the consequences of their actions and those of the adults around them.

Our students learn how to recognise bias, evaluate argument, weigh evidence, look for alternative interpretations, viewpoints and sources of evidence.
