## **Regulations for the Use of Calculators in Exams**

**Where the use of a calculator is allowed, candidates are responsible for making sure that their calculators meet the awarding bodies' regulations.**

The instructions set out below apply to all examinations unless stated otherwise in an awarding body's specification.

Candidates are responsible for making sure that their calculators meet the awarding bodies' regulations.

### **Calculators must be:**

- of a size suitable for use on the desk;
- either battery or solar powered;
- free of lids, cases and covers which have printed instructions or formulas.

### **The candidate is responsible for the following:**

- the calculator's power supply;
- the calculator's working condition;
- clearing anything stored in the calculator.

### **Calculators must not:**

- be designed or adapted to offer any of these facilities:
  - language translators;
  - symbolic algebra manipulation;
  - symbolic differentiation or integration;
  - communication with other machines or the internet;
- be borrowed from another candidate during an examination for any reason;
- have retrievable information stored in them - this includes:
  - databanks;
  - dictionaries;
  - mathematical formulas;
  - text.
