Dear Parent/Carer,

Re: Science Revision Day – Tuesday 9th April 2019

We will be holding a Science revision day for all year 11 pupils in readiness for the Science GCSE examinations that take place commencing on the 14th of May. The sessions will run from 9am-2pm.

For Health, Safety and Welfare reasons the organisation and administration of the session will be strict. All pupils must register 10 minutes before the start of each session. No pupil should leave the premises during the session and may bring a packed lunch if they wish. Any student disrupting the teaching and learning will be asked to leave the session and parents will be contacted.

If you wish your child to take part in these sessions please complete the section below and return to the Science Department as soon as possible. Alternatively, you may wish to email your reply to:
