Dear Parents/Carers,

It is with great pride and privilege that I write to you as the new Headteacher of Huntcliff School.

What drew me to the school was the friendly, family orientated atmosphere of the school and above all the openness and inquisitive nature of the students. It soon became very apparent during my visits to the school how much potential our students possess and it is my intention, along with the staff and governors of Huntcliff to ensure that this potential is maximised and in so doing, ensure that all students become successful, confident and resilient learners who develop the knowledge and skills that will enable them to fulfil their dreams and aspirations.

As such, we will continue to invest in developing the quality of teaching and learning with the aim of further improving the outcomes of our young people.

To support this, I expect all our learners to aspire to do their best all the time and in all lessons. I expect the highest level of behaviour and commitment from all students. I want all students to feel proud to be part of the Huntcliff family and as such I ask for your support as parents/carers to ensure that your child/children arrive at school each day on time, fully equipped (including the wearing of full school uniform) and ready to learn.

My ambition for Huntcliff School as Headteacher is predicated on the following:

**Outstanding teaching; Outstanding learning; Outstanding students and Outstanding outcomes**

I look forward to working with you on our journey towards outstanding.

Yours faithfully

**Patrick Daley**  
Headteacher
