14th June 2019

Dear Parent/Carer,

I would like to introduce an exciting new initiative that I am introducing with the most senior students here at Huntcliff School.

Following student consultation, they have told me that they would like to stand out from the younger years in order for them to be seen as effective role models. They have also told me that they would like to take some ownership of their year group and their position within the school. As a result, some of these ideas have been taken on board and your child has been issued with a green card.

This card needs to be signed by every teacher they have across three criteria: home learning, attitude to learning and behaviour. Once the card is signed, they will take it to their form tutor and then Mrs Naish (Head of Year) who will sign the card off and authorise the issue of one of our new senior ties.

These ties being given out during Friday form times by myself until the end of this term in recognition of the student's excellence in the conduct of themselves and their learning. There will be special credit given to students who have been nominated by staff as student leaders and they will receive a slightly different tie.

This initiative was launched in an assembly before half term and many of the students are excited and positive about getting the recognition they so rightly deserve. In addition to the senior tie there will be other privileges such as a queue jump at lunch and a bowling trip towards the end of the year. I am also considering other options for next year when students return in September.

I know you will support the school and your child to ensure that year 11 is a fantastic year for them and, ultimately, recognise that this enterprise further enhances their journey towards excellent GCSE results.

Yours sincerely

Patrick Daley
Headteacher
