

## **Adverse weather policy**

If a situation arises which means the school cannot open due to adverse weather or another emergency, the head teacher will notify the Local Authority (North Lincolnshire Council).

The closure of the school will also be advertised on the following radio stations:

- Lincs FM (102.2 fm and 97.6 fm)
- Capital (105 fm)
- Radio Humberside (95.9 AM – 1485 and DAB)

Notices will also be displayed on the school website ([www.huntcliff.nlincs.sch.uk](http://www.huntcliff.nlincs.sch.uk)) and the school's social networking pages ([www.facebook.com/HuntcliffSchoolKirton](https://www.facebook.com/HuntcliffSchoolKirton) and [www.twitter.com](https://www.twitter.com) search @HuntcliffAcad).

Huntcliff takes closures of the school very seriously, and we liaise with the bus companies that serve the school in every instance of adverse weather to determine whether they feel it is safe for the buses to operate. We will only close the school to students if there is absolutely no other option to preserve the safety of our students.
