The platform is free to access and does not require prior registration.

We've worked hard to create an easy to navigate web platform that replaces our usual face-to-face event.

We've gathered together local providers and housed them on our virtual platform.

### The online event is an exciting chance for young people to...

- Navigate their way through our virtual event stalls.
- Take part in scheduled LIVE! Stage events.
- Get to know further education providers.
- Hear from local employers.
- Find out about available apprenticeships.
- Watch engaging videos.
- Download digital resources.
- Ask important questions.

## The **LIVE!** Stage

A thrilling opportunity to watch live presentations from some of the region's employers, further education and apprenticeship providers.
