Free School Meals

Taking up free school meals has benefits for everyone: Students get a healthy nutritious meal for Free

Just look at what's on offer!

What's Coming Up?

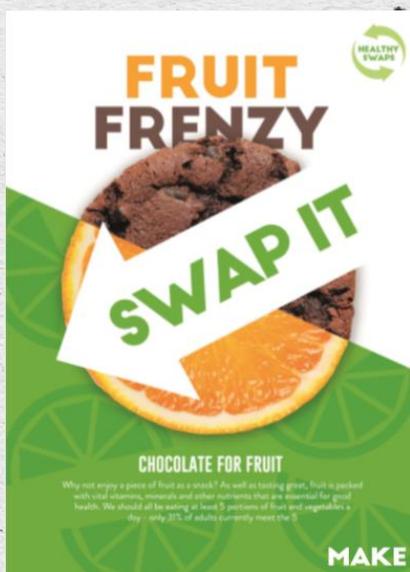

We regularly run Themed Menus where students can try something new and different. Some of our delicious theme days include Veganuary to kick start 2021 and Pancake Tuesday's.

Urban Rajah

We have been collaborating with TV chef and author, Ivor Peters to bring the Urban Rajah Indian Street kitchen to our schools and colleges - fusing the much loved essence of traditional Indian cuisine with a more modern hand-held format. Students can enjoy 3 delicious cuisines: Pav Bhaji, Indo-Chinese and the original Buroti wrap. We look forward to running this when you are all back at school!

Healthy Swaps

As part of our commitment to educate our students on better food decisions, we developed a suite of healthy swap messages.

The messages were developed specifically for our Secondary Schools and Colleges to educate and highlight key everyday food and drink that can be 'swapped' for a healthy and tasty alternative.
