1. Aims

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons. Constructive, prompt and effective two-way communication is vital if this is to be achieved.

We aim for all students to achieve at least 96% attendance during the academic year.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)

- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved alternative educational provision
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.40am on each school day to commence learning at 8.45am.

The register for the first session will be taken at 8.45am and will be kept open until 9.00am. The register for the second session will be taken during Period 4.

3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9.00am or as soon as practically possible (see also section 6).

This should be done via telephone or using the email address; **rmarshall@huntcliffschool.co.uk**

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents should telephone the school, email via the school admin email address or send a letter in advance to their child's form tutor or the school attendance officer.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

Students who are consistently late will be placed on punctuality report to their form tutor and may be asked to repay the time at break or after school.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

This may be done by telephone or in some cases a home visit will be made

3.6 Reporting to parents

Attendance is reported to parents via student academic tracking reports which are issued twice yearly. Parents can request attendance figures from the school at any time by telephone or via the school admin email address.

4. Authorised and Unauthorised absence

4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

'Exceptional circumstances' are at the discretion of the Headteacher.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision.

4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

5. Strategies for promoting attendance

Good attendance is pivotal in supporting all students to make the best possible educational progress, and as such rewards are provided as follows:

- Top attending registration group each week all receive merit points.
- Letters are sent to parents half termly for all students demonstrating improved attendance.
- Half termly celebrations are held in school for all students with 100% attendance or showing a significant improvement in attendance.
- All students with 100% attendance at the end of the school year attend a celebration event and are entered into a prize raffle.

6. Attendance monitoring

The attendance officer monitors pupil absence on a daily basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

Parents are expected to inform the school each day a child is ill.

If a pupil is absent we will discuss the reasons for this with the parent/carer.

If after contacting parents a pupil's absence continue to rise, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

The termly report to governors includes data on all monitored groups of students. This analysis is completed half-termly and identifies given reasons for absence, strategies employed to support students and parents and also the numbers of students showing an improvement in attendance.

7. Roles and responsibilities

7.1 The Board of Trustees

The board of Trustees is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

7.2 The headteacher

The Headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The Headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

7.3 The attendance officer

The Attendance Officer:

- Monitors attendance data at the school and individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

7.4 Class Teachers/Form Tutors

Class teachers and form tutors are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

7.5 Office Staff

Office staff are expected to take calls from parents about absence and record it on the school system.

8. Monitoring arrangements

This policy will be reviewed annually by the Assistant Headteacher (Inclusion). At every review, the policy will be shared with the governing board.

9. Links with other policies

This policy is linked to our child protection and safeguarding policy which is displayed on the school website.

Appendix 2 – Letters

Dear

Student Name:

DOB:

At Huntcliff School we are committed to providing high quality education and improving outcomes for all our pupils. In order for a child to reach their full potential, we expect a high level of school attendance, so they are able to maximise their learning and achievement.

I enclose a copy of <<insert pupil name's>> attendance record which shows an attendance of << insert % attendance>> from <<insert date>> to <<insert date>>

We would like every pupil to aspire to achieving 100% attendance and would like to express our initial concerns regarding your son/daughter's attendance level. It is appreciated young people sometimes become unwell, but as parents it is important to be aware of the level of your child's school attendance, as it may have a detrimental effect on their educational attainment.

I will continue to monitor <<insert pupil's name>> attendance and, with your co-operation, I would anticipate an improvement. I may take the opportunity to speak with your child in school should I feel this is an appropriate action in raising attendance.

If you wish to discuss this matter further, or are experiencing any difficulties, please do not hesitate to contact me.

I look forward to your support in this matter.

Yours sincerely

Dear

Student Name:

DOB

You may recall my letter dated <enter date of last letter> expressing concern with <child's name> current level of attendance. Since that letter there has not been the anticipated improvement and I would therefore like to invite you to a meeting in school on <date> at <time>. This will give us the opportunity to look at the issues causing irregular school attendance and if appropriate, put in a suitable support plan to help you with this.

I enclose a copy of the registration certificate for your information, which will form part of our discussion during the meeting.

I must also advise you that it is the decision of the Headteacher as to whether an absence is authorised or not, taking into account the reason provided. Due to <child's name> continued irregular school attendance; we now require medical confirmation to support any future absences. We will accept this in the form of a doctor's letter, a copy of a prescription for medication, or the packaging containing the child's name. Once we are in receipt of this information we will be able to make an informed decision based on the evidence provided on whether or not to authorise the absence.

I look forward to meeting with you to discuss how we can work together to improve attendance.

If you are unable to attend the above appointment, please contact me as soon as possible so that an alternative date can be arranged.

Yours sincerely

Headteacher

Dear

Student Name:

DOB

Further to my previous correspondence I am disappointed that <child's name> school attendance is still a cause for concern. I have enclosed a copy of the registration certificate which identifies that <child name> has % attendance from <date> to <date>. There are unauthorised absences during this period.

“

Include here what has been offered – this is a summary of your evidence so far which needs to be detailed. This needs to show to the courts that sufficient non judgemental efforts have been made to support the family with any needs in order to secure attendance

For example:

- I invited you to a meeting on <insert date> which you failed to attend and did not give apologies/called to cancel/were not at home when I visited. Please note: (it is always advisable to undertake a home visit particularly when legal proceedings/penalty notices may be instigated)
- A Support Plan was put in place to assist you in securing <child's name>'s attendance but you have failed to engage with the services offered/I have not seen any sustained effort in making the changes required/despite several reviews taking place
- I have attempted to contact you on <date>, <date> and <date> when your child was absent from school but have not received any communication from you/have received explanations for the absences but these were not supported by any medical confirmation as requested. As per our policy <put where this is> we ask that parents contact the school on the first day
”
of any absence.

I must advise you that it is an offence under the Education Act 1996 if a parent or carer fails to secure the regular school attendance of a registered pupil. This matter will be passed to the Education Inclusion Service for consideration of the relevant statutory action, which could result in a Penalty Notice being issued or prosecution in the Magistrates' Court.

I would like to meet with you <at home/at school> on <date> at <time> which will give us the opportunity to discuss this matter.

Yours sincerely

Headteacher
