

Year 9 Options

HOW TO I CHOOSE MY OPTIONS?

1. Speak to the teachers of the subjects you might be interested in taking – Ask questions and find out what the subject is **really** like at GCSE, it can often be different to what you expect!
2. Speak to a family or older siblings who have gone through this themselves, what advice can they give?
3. Use Unifrog to do some research on different careers
4. Need careers advice on pathways and different courses? **Pop up to see Miss Davidson in M7**
