11th March 2022

Dear Parent/Carer,

I am asking to request your support with an issue we are having with mobile phones in school.

We are increasingly having to deal with issues in school around social media and students taking photos of others without consent. We are keen to ensure that students are safe in school and this is difficult to do when students are using phones during the school day.

We recognise that students are safer with a phone, especially when they travel to and from school, so understand they will be brought in. However, we request that mobile phones are stored away in school bags. If students need to contact home during the day, they can go to Reception or their Pastoral Support Officer (PSO).

Students seen using their mobile phones will be dealt with in line with the School Mobile Phone Policy, which can be found on our school website under Parents/Policies, however it would be appreciated if you could emphasise this message at home.

Yours sincerely

Mrs N Bibby
Headteacher
Huntcliff Academy
