September 2022

Dear Parent/Carer

As part of the routine assessment and monitoring programme for Year 7 we screen all students for dyslexia via the GL Assessment Dyslexia Screener, which highlights students with dyslexic tendencies.

The purpose of the screener is to evaluate all students' needs so that teachers are able to accommodate all learners in the classroom. The assessment will be administered under the direction of the Learning Support Team.

We will only need to contact you if the assessment highlights any indications that we need to do further investigations. **Therefore please assume if you are not contacted there are no concerns at this time.**

Yours sincerely

K. Ashwood
