October Open Event

North Lindsey College Kingsway, Scunthorpe

Our Open Events are a great opportunity for you to come and have a look at the College campus for yourself!

You can see our full range of industry standard training facilities and learning environments. It's also the perfect time to ask any questions that you may have, we've got staff and students on-hand to tell you what it's like studying at college and to help you understand the courses you're interested in a little better. It's also the perfect time to ask any questions that you may have, we've got staff and students on-hand to tell you what it's like studying at college and to help you understand the courses you're interested in a little better.

If you're not sure what course you want to study, or what career you want to go in to, then you can have a chat with our Careers team. They are impartial careers advisers who will be able to help you learn all the facts so that you can make an informed decision about what's best for your future.

So what are you waiting for? If you want to study anything from GCSEs, vocational courses, A Levels, 19+ courses, Apprenticeships, Traineeships or T-Levels then register to come to our Open Event now! Find out more about the courses we offer by visiting our website: www.northlindsey.ac.uk
