

Dear Parent/Guardian,

This week a pre-recorded assembly was shown to your teen launching the NCS programme for students at The West Bridgford School.

NCS is an opportunity that helps 15–17-year-olds (Year 11 and 12) to build skills for work and life, take on new challenges, meet new people and make a difference in their local community. 750,000 young people have already completed the programme and are out there reaping the benefits of taking part.

The sign-up process is just three short steps away.

Step 1: Choose your hub site - visit <https://wearencs.com/> to find a location for your programme.

Step 2: Choose your theme – we have 3 different programme themes to choose from:
