25<sup>th</sup> May 2022

Dear Parent/Carer,

### **Year 10 internal exams – summer 2023**

All pupils in Year 10 will sit exams in English, Maths, and Science in the Summer Term of 2023. Exams for French, Geography and History will also be undertaken by those pupils who study these subjects.

Please find overleaf the schedule showing the important information relating to these exams. Most of the preparation will be done in school in the preceding lessons, but please find below some advice on how you can further support revision at home.

All exams will take place using full exam papers and will be conducted under full exam conditions. Pupils in Year 10 have previously experienced this, so they are clear on the expectations. Most exams will take place in the exam hall – which is our gymnasium.

The results will provide a clear indicator of the progress made so far and will be reported upon as part of the pupil reports that will be distributed towards the end of term. They will also be used by teachers to inform planning going into Year 11.

Thank you for supporting our school and the success of your child.

Yours sincerely

**Mr P Clayton**  
**Assistant Headteacher**
