

13th June 2023

Dear Parent/Carer

Leavers Assembly

Leavers assembly will take place on **Thursday 15th June**. Students sitting their exam on Thursday morning should make sure there is no form of writing on their shirt. There will be opportunity for shirt signing later in the day. They may wish to bring in their shirt for signing and change after their exam.

Students who are not sitting the exam, can head to normal lessons for the morning.

After the exam students will have chance to say their goodbyes to staff and their peers. The leavers assembly will take place during first half of P5 with opportunity for shirt signing during lunch and after the assembly. As the weather is set to be nice, we shall open the field for activities and ice lollies will be provided.

Our year 11's have worked so incredibly hard this year and we can't wait to celebrate with you on leavers day and again during Prom.

Further details about Prom will be communicated early next week for those students attending.

Yours faithfully

Mrs E Green
Acting Deputy Head
