

Dear Parent/Carer

September 2023

### **Planners and Equipment**

After a positive start back to the term, we have seen our standards of behaviour, uniform and attitudes improve across the school. As Parents and Carers you have helped us play a vital role in maintaining these standards.

Our next focus will be on equipment and planners and making sure each student is 'Ready to Learn'. Each student has been provided with a planner which they should bring daily. These planners are used within our lessons as a teaching and learning tool and to record homework. Planners that are damaged intentionally or lost will need replacing and there will be a small cost to replace this.

Students are also expected to have the basic equipment so they can be fully prepared for each lesson. Students should have the basic required equipment such as a pen, pencil, ruler and rubber. We are able to provide subject specific equipment to students when this is needed in lessons.

We would encourage students to bring a bag to school so they can carry their planner, equipment and coats. A reminder to all students that coats should be removed once inside school and during lessons.

Thank you once again for your support in helping us to maintain the high standards at Huntcliff and ensuring that your child is set for a successful start to school by being ready to learn.

Yours faithfully

**Mrs E Green**  
**Acting Deputy Head**
